SILENT MOVIE

film
8 min., 16 mm, b&w, sound, 1983.
video tape version U-matic PAL

This film is about what a film is. An image of an atomic explosion is enlarged over and over by means of photocopy. The explosion is reconstructed, the film unrolled.

Este filme e sobre o que e um filme. A imagem de uma explosao atomica e ampliada muitas vezes em fotocopia. A explosao e reconstruida, o filme desenrolado.
